

54 Day Rosary Novena

It has been reported that the miracle of young Fortuna's cure upon praying the 54-day Rosary Novena, made a deep impression on Pope Leo XIII. He wrote 17 encyclicals on the Rosary and urged all Christians to love the Rosary and pray it fervently. Over the years, countless supernatural miracles and answered prayers have been attributed to praying this very powerful 54 Day Rosary Novena.

To do the novena properly one must pray the Rosary for 54 consecutive days, without missing a day, and must pray the particular Mystery indicated for that day following the correct sequence. That is, the first day of the novena always begins

with the Joyful Mysteries (regardless of what day of the week the novena is started); the second day, the Sorrowful Mysteries are prayed; and the third day of the novena, the Glorious Mysteries are prayed. The fourth day of the novena begins again with the Joyful Mysteries and continues on in that sequence throughout the 54 days of the novena (see chart below).

People have asked over time about the Luminous Mysteries — this novena was given by Our Lady as noted above in 1884 and only allows for the Joyful, Sorrowful and Glorious Mysteries.
